LB 140, 81.

SENATOR MARSH: I was telling the Clerk...

SPEAKER MARVEL: 140. Senator Marsh moves the advancement of the bill. Oh, I'm sorry, go ahead.

CLERK: Mr. President, LB 140 introduced by Senator Shirley Marsh of the 29th. (Read by title LB 140.) The bill was first read on January 9. It was referred to the Ag and Environment Committee. The bill was advanced to General File. There are no amendments pending, Mr. President.

SENATOR MARSH: Mr. Speaker and members of the Legislature...

SPEAKER MARVEL: Senator Marsh.

SENATOR MARSH: The passage of LB 140 would harmonize with the state's allowable noise limits for trucks with federal regulations. It also repeals the provision requiring manufacturers of trucks to file a written statement with the Department of Environmental Control stating that their new trucks will meet the state noise limits. This provision is presently impossible to enforce since all truck manufacturers are located in other states. Mr. Dick Hansen, Attorney for the Department of Environmental Control Council, was in the Committee to support the bill as well as Mr. Jim Preston. I move for the advancement of LB 140.

SPEAKER MARVEL: Is there any further discussion on LB 140? All those in favor of advancing 140 to E & R for Review vote aye, opposed vote no. Have you all voted on advancement of LB 140? The motion is to advance 140 to E & R for Review. Motion carried...I mean, record.

CLERK: 25 ayes, 3 nays on the motion to advance, Mr. President.

SPEAKER MARVEL: Motion is carried and the bill is advanced. Senator Marsh, LB 81. Senator Marsh.

SENATOR MARSH: I move the adoption of the amendments.

SPEAKER MARVEL: Okay, why don't you go ahead and explain the bill? They are Senator Marsh's amendments.
